A natural world in miniature

**2009**  
**COLLECTION**

Welcome to the 2009 Figurine Collection from "Collecta"

Our 2009 collection features over 60 new models with a number of new ranges including Insects, Prehistoric Mammals, Trees and Cats plus many new dinosaurs and animal figurines.

All our models are individually hand crafted to the highest standards and made with only the finest and safest materials. As part of our ongoing product improvement programme, we continually strive to improve and upgrade all our models in an effort to bring you the best possible collection.

We hope you enjoy our models as much as we have enjoyed creating them.

**Quality is important, Safety is essential.**

All our products are rigorously tested to ensure they meet the highest safety standards.
